

BRINKMANN

Balance “33-1/3 Anniversary” Edition

The Collectible Balance

About Brinkmann

For Brinkmann, “High Fidelity” stands as the ultimate pinnacle of achievable sound reproduction. Simply put, there is nothing better than “High Fidelity”: after all, a facsimile can never sound better than the original. While some will argue that perfect music playback is an illusion. Helmut Brinkmann however, leaves nothing to chance as he works on perfecting this illusion, thus making music playback as real as possible.

Limited to 33 sequentially numbered, two-arm 'tables, this Collector's Edition features unique engraving on the arm base, identifying it as unique.

This Special Anniversary Edition comes with every option imaginable:

- A 12.1 Tonearm (the second base will be drilled for customer's choice of arm).
- RöNt II outfitted with NOS (original British) Mullard tubes for superior sonics.
- A custom version of HRS' latest "Reference-series" Isolation Base.
- A richly illustrated "Coffee Table Book," autographed by Helmut, detailing the history of Brinkmann and Balance.

For devotees of Brinkmann, or for those connoisseurs who demand the best, this Balance is the finest turntable Brinkmann know how to make.

The 33-1/3rd Anniversary Edition Special Features include:

- Limited to 33 sequentially-numbered turntables: 01/33 to 33/33.
- All 33 Anniversary units are "2-arm" Balances.
- One Brinkmann 12.1. The second base will be prepared for the customer's choice of arm.
- RöNt II Power supply with selected NOS (original UK) Mullard tubes for ultimate sound.
- Custom Version of HRS' "Reference Level" Isolation Base, effective from Subsonic to 40KHz, Engraved with Brinkmann and HRS logos.
- Deluxe "Coffee Table Book" signed by Helmut, detailing the 33 year history of Brinkmann Audio and the Balance, with rich photography featuring Brinkmann Audio products.
